Luke Chapter 7 – The Healing of a Centurion's Slave – Questions

1. What are the two reasons the elders of the Jews gave for Jesus to save the Centurion's slave as they said the Centurion was deserving of this reward?
2. The Centurion sent word to Jesus to not trouble himself. What did the Centurion first say that we also say at Mass?
3. What was the second part of the Centurion's statement that is slightly different from what we say at Mass?
4. Jesus was amazed of one thing about the Centurion. What did He say that He had not found even in Israel?
5. What miracle did Jesus perform in the city of Nain until fear seized His followers and they glorified God?
6. What question about Jesus did John the Baptist send two of his disciples to ask Him?
7. Jesus told His followers that when they went out to the desert, they saw more than a prophet. What does scripture say about this prophet?
8. The Pharisees and the scholars of the law who were not baptized by John the Baptist rejected the plan of God for themselves. They said John came neither eating food nor drinking wine and was possessed by a demon. What three things did they say about Jesus? Addendum: John the Baptist was a Nazirite as well as the Prophet Samuel and Samson. Read Numbers 6:1-27 for a description of a Nazirite.
9. It was a Jewish custom for the host to provide water for a traveler to wash his feet or to have a slave wash his feet when they entered his home. This was not done for Jesus. Who washed and dried His feet and what did she use?
10. What did Jesus say to the woman who washed and dried His feet?
